

BS EN 61770:2009+A11:2018

Incorporating corrigendum March 2011

BSI Standards Publication

Electric appliances connected to the water mains - Avoidance of backsiphonage and failure of hose-sets

National foreword

This British Standard is the UK implementation of EN 61770:2009+A11:2018. It is derived from IEC 61770:2008. It supersedes BS EN 61770:2009, which will be withdrawn on 18 May 2021.

The start and finish of text introduced or altered by amendment is indicated in the text by tags. Tags indicating changes to text carry the number of the CENELEC amendment. For example, text altered by CENELEC amendment A11 is indicated by A11 A11.

The UK participation in its preparation was entrusted to Technical Committee CPL/61, Safety of household and similar electrical appliances.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
