

BS EN 62004:2009

BSI Standards Publication

Thermal-resistant aluminium alloy wire for overhead line conductor

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 62004:2009. It was derived by CENELEC from IEC 62004:2007.

The CENELEC common modifications have been implemented at the appropriate places in the text and are indicated by tags (e.g. C C1).

The UK participation in its preparation was entrusted to Technical Committee GEL/7, Overhead electrical conductors.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
