Polymeric HV insulators for indoor and outdoor use — General definitions, test methods and acceptance criteria

National foreword

This British Standard is the UK implementation of EN 62217:2013. It is identical to IEC 62217:2012. It supersedes BS EN 62217:2006 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/36, Insulators for power systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
