Part 1: General

The European Standard EN 62315-1:2003 has the status of a
British Standard

ICS 33.160.40

National foreword

This British Standard is the official English language version of EN 62315-1:2003. It is identical with IEC 62315-1:2003.

The UK participation in its preparation was entrusted to Technical Committee EPL/100 Audio, video and multimedia systems and equipment, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
