BSI Standards Publication

Battery charge controllers for photovoltaic systems — Performance and functioning

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 62509:2011. It is identical to IEC 62509:2010.

The UK participation in its preparation was entrusted to Technical Committee GEL/82, Photovoltaic Energy Systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
