

BSI Standards Publication

Radiation protection instrumentation — Highly sensitive hand-held instruments for photon detection of radioactive material

National foreword

This British Standard is the UK implementation of EN 62533:2016. It is derived from IEC 62533:2010. It supersedes BS IEC 62533:2010 which is withdrawn.

The CENELEC common modifications have been implemented at the appropriate places in the text. The start and finish of each common modification is indicated in the text by tags **Ⓒ** **Ⓒ**.

The UK participation in its preparation was entrusted to Technical Committee NCE/2, Radiation protection and measurement.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
