National foreword

This British Standard is the UK implementation of EN 62601:2016. It is identical to IEC 62601:2015. It supersedes BS IEC 62601:2011 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AMT/7, Industrial communications: process measurement and control, including fieldbus.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
