Electric motor-operated hand-held tools, transportable tools and lawn and garden machinery — Safety

Part 3-13: Particular requirements for transportable drills

National foreword

This British Standard is the UK implementation of EN 62841-3-13:2017. It is identical to IEC 62841-3-13:2017.

The UK participation in its preparation was entrusted to Technical Committee CPL/116, Safety of motor-operated electric tools.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
