

BSI Standards Publication

**Aerospace series — Configuration — Definition
and designation for product standards
for externally threaded fasteners**

National foreword

This British Standard is the UK implementation of EN 7010:2020.

The UK participation in its preparation was entrusted to Technical Committee ACE/1, International and European Aerospace Policy and Processes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
