National foreword

This British Standard is the UK implementation of EN 9121:2009. It supersedes BS EN 9121:2005 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/1, International and European aerospace policy and processes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.
