

BSI Standards Publication

Aerospace series — LOTAR — Long term archiving and retrieval of digital technical product documentation such as 3D, CAD and PDM data

Part 003: Fundamentals and concepts

National foreword

This British Standard is the UK implementation of EN 9300-003:2012.

The UK participation in its preparation was entrusted to Technical Committee ACE/1, International and European Aerospace Policy and Processes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
