

BSI Standards Publication

Tests for geometrical properties of aggregates

Part 2: Determination of particle size distribution —
Test sieves, nominal size of apertures

National foreword

This British Standard is the UK implementation of EN 933-2:2020. It supersedes BS EN 933-2:1996, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/502/6, Test methods.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
