

BSI Standards Publication

**Test procedure for the determination
of the temperature index of enamelled
and tape wrapped winding wires**

National foreword

This British Standard is the UK implementation of EN IEC 60172:2021. It is identical to IEC 60172:2020. It supersedes [BS EN 60172:2015](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee L/-/99, Miscellaneous Standards - Electrical.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
