Fluids for electrotechnical applications — Mineral insulating oils for electrical equipment

National foreword

This British Standard is the UK implementation of EN IEC 60296:2020. It is identical to IEC 60296:2020. It supersedes BS EN 60296:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/10, Fluids for electrotechnical applications.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
