Connectors for electronic equipment

Part 7: Detail specification for 8-way, unshielded, free and fixed connectors

National foreword

This British Standard is the UK implementation of EN IEC 60603-7:2020. It is identical to IEC 60603-7:2020. It supersedes BS EN 60603-7:2009+A2:2019, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/48, Electromechanical components and mechanical structures for electronic equipment.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
