Household electric direct-acting room heaters — Methods for measuring performance

Part 2: Additional provisions for the measurement of the radiant factor

National foreword

This British Standard is the UK implementation of EN IEC 60675-2:2021. It is identical to IEC 60675-2:2020.

The UK participation in its preparation was entrusted to Technical Committee CPL/59, Performance of household electrical appliances.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
