Classification of environmental conditions

Part 3-0: Classification of groups of environmental parameters and their severities — Introduction

National foreword

This British Standard is the UK implementation of EN IEC 60721-3-0:2020. It is identical to IEC 60721-3-0:2020. It supersedes BS EN 60721-3-0:1993, which will be withdrawn on 11 June 2023.

The UK participation in its preparation was entrusted to Technical Committee GEL/104, Environmental conditions, classification and testing.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
