Connectors for electrical and electronic equipment — Product requirements

Part 3-124: Rectangular connectors — Detail specification for 10-way, shielded, free and fixed connectors for I/O and data transmission with frequencies up to 500 MHz

National foreword

This British Standard is the UK implementation of EN IEC 61076-3-124:2019. It is identical to IEC 61076-3-124:2019, incorporating corrigendum March 2020.

The UK participation in its preparation was entrusted to Technical Committee EPL/48, Electromechanical components and mechanical structures for electronic equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
