

BSI Standards Publication

Maritime navigation and radiocommunication equipment and systems — Global navigation satellite systems (GNSS)

Part 5: BeiDou navigation satellite system (BDS) — Receiver equipment —
Performance requirements, methods of testing and required test results

National foreword

This British Standard is the UK implementation of EN IEC 61108-5:2020. It is identical to IEC 61108-5:2020.

The UK participation in its preparation was entrusted to Technical Committee EPL/80, Maritime navigation and radiocommunication equipment and systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
