

BSI Standards Publication

Fluorescent ultraviolet lamps used for tanning — Measurement and specification method

National foreword

This British Standard is the UK implementation of EN IEC 61228:2020. It is identical to IEC 61228:2020. It supersedes BS EN 61228:2008, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CPL/34/1, Electric lamps.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
