

BSI Standards Publication

Safety of machinery — Electro-sensitive protective equipment

Part 1: General requirements and tests

National foreword

This British Standard is the UK implementation of EN IEC 61496-1:2020. It is identical to IEC 61496-1:2020. It supersedes BS EN 61496-1:2013, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/3, Safeguarding of machinery.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
