Industrial communication networks - Profiles

Part 5-20: Installation of fieldbuses - Installation profiles for CPF 20

National foreword

This British Standard is the UK implementation of EN IEC 61784-5-20:2018. It is identical to IEC 61784-5-20:2018.

The UK participation in its preparation was entrusted to Technical Committee GEL/65/3, Industrial communications: process measurement and control, including fieldbus.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
