

BSI Standards Publication

Fibre optic active components and devices — Package and interface standards

Part 6: ATM-PON transceivers

National foreword

This British Standard is the UK implementation of EN IEC 62148-6:2020. It is identical to IEC 62148-6:2020. It supersedes BS EN 62148-6:2003, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/86/3, Fibre optic systems and active devices.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
