Process management for avionics - Management plan

Part 1: Preparation and maintenance of an electronic components management plan

National foreword

This British Standard is the UK implementation of EN IEC 62239-1:2018. It is identical to IEC 62239-1:2018. It supersedes PD IEC/TS 62239-1:2015, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/107, Process management for avionics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
