National foreword

This British Standard is the UK implementation of EN IEC 62541-8:2020. It is identical to IEC 62541-8:2020. It supersedes BS EN 62541-8:2015, which will be withdrawn on 15 February 2021.

The UK participation in its preparation was entrusted to Technical Committee GEL/65/3, Industrial communications: process measurement and control, including fieldbus.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
