Industrial-process measurement, control and automation — Digital factory framework

Part 1: General principles

National foreword

This British Standard is the UK implementation of EN IEC 62832-1:2020. It is identical to IEC 62832-1:2020. It supersedes [PD IEC/TS 62832-1:2016](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/65, Measurement and control.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
