

BSI Standards Publication

Organic light emitting diode (OLED) light sources for general lighting — Safety

Part 2-1: Particular requirements — Semi-integrated OLED modules

National foreword

This British Standard is the UK implementation of EN IEC 62868-2-1:2021+A1:2025. It is identical to IEC 62868-2-1:2020. It supersedes BS EN IEC 62868-2-1:2021, which will be withdrawn on 30 June 2028.

The start and finish of text introduced or altered by amendment is indicated in the text by tags. Tags indicating changes to IEC text carry the number of the IEC amendment. For example, text altered by IEC amendment 1 is indicated by **A1** **A1**.

The UK participation in its preparation was entrusted to Technical Committee CPL/34/1, Electric lamps.

A list of organizations represented on this committee can be obtained on request to its committee manager.

Contractual and legal considerations

This publication has been prepared in good faith, however no representation, warranty, assurance or undertaking (express or implied) is or will be made, and no responsibility or liability is or will be accepted by BSI in relation to the adequacy, accuracy, completeness or reasonableness of this publication. All and any such responsibility and liability is expressly disclaimed to the full extent permitted by the law.
