

BSI Standards Publication

**Insulating liquids – Unused modified
or blended esters for electrotechnical
applications (IEC 63012:2019)**

National foreword

This British Standard is the UK implementation of EN IEC 63012:2019. It is identical to IEC 63012:2019.

The UK participation in its preparation was entrusted to Technical Committee GEL/10, Fluids for electrotechnical applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
