National foreword

This British Standard is the UK implementation of EN ISO 10863:2011. It supersedes DD CEN/TS 14751:2004 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/46, Non-destructive testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
