

Walking aids manipulated by both arms — Requirements and test methods —

Part 2: Rollators

The European Standard EN ISO 11199-2:2005 has the status of a British Standard

ICS 11.180.10

National foreword

This British Standard is the official English language version of EN ISO 11199-2:2005. It is identical with ISO 11199-2:2005. It supersedes BS EN ISO 11199-2:1999 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/173, Technical systems and aids for disabled or handicapped persons, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
