Paints and varnishes – Corrosion protection of steel structures by protective paint systems

Part 9: Protective paint systems and laboratory performance test methods for offshore and related structures (ISO 12944-9:2018)

National foreword

This British Standard is the UK implementation of EN ISO 12944-9:2018. It is identical to ISO 12944-9:2018.

The UK participation in its preparation was entrusted to Technical Committee STI/21, Paint systems and surface preparation for metallic substrates.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
