

BSI Standards Publication

Intelligent transport systems - Graphic data dictionary

National foreword

This British Standard is the UK implementation of EN ISO 14823:2017. It supersedes DD CEN ISO/TS 14823:2008, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/278, Intelligent transport systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
