

Specification and qualification of welding procedures for metallic materials — Welding procedure test

**Part 3: Fusion welding of non-alloyed
and low-alloyed cast irons (ISO
15614-3:2008)**

ICS 25.160.10

National foreword

This British Standard is the UK implementation of EN ISO 15614-3:2008.

The UK participation in its preparation was entrusted to Technical Committee WEE/36, Qualification of welding personnel and welding procedures.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 July 2008
