

BSI Standards Publication

Nanotechnology — Nanoparticles in powder form — Characteristics and measurements

National foreword

This British Standard is the UK implementation of EN ISO 17200:2020. It is identical to ISO 17200:2020. It supersedes [PD CEN ISO/TS 17200:2015](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee NTI/1, Nanotechnologies.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
