BSI Standards Publication

Health informatics — Categorical structures for representation of nursing diagnoses and nursing actions in terminological systems

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN ISO 18104:2014. It supersedes BS EN ISO 18104:2003 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/35, Health informatics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
