Non-destructive testing — Characterization and verification of ultrasonic phased array equipment

Part 1: Instruments

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN ISO 18563-1:2015.

The UK participation in its preparation was entrusted to Technical Committee WEE/46, Non-destructive testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
