

BSI Standards Publication

Geometrical product specifications (GPS) – Transition specification

National foreword

This British Standard is the UK implementation of EN ISO 21204:2020. It is identical to ISO 21204:2020.

The UK participation in its preparation was entrusted to Technical Committee TPR/1, Technical Product Realization.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
