

Needle-free injectors for medical use — Requirements and test methods (ISO 21649:2006)

ICS 11.040.20

National foreword

This British Standard is the UK implementation of EN ISO 21649:2009. It is identical to ISO 21649:2006. It supersedes BS EN ISO 21649:2006 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/84, Catheters and syringes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 November 2009.
