

BS EN ISO 3677:2016

BSI Standards Publication

Filler metal for soldering and brazing — Designation (ISO 3677:2016)

National foreword

This British Standard is the UK implementation of EN ISO 3677:2016. It supersedes BS EN ISO 3677:1995 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/19, Brazing and braze welding.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
