

BSI Standards Publication

Gas welding equipment - Safety devices

Part 2: Devices not incorporating a flame (flashback) arrestor

National foreword

This British Standard is the UK implementation of EN ISO 5175-2:2017. It supersedes BS EN 730-2:2002, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee WEE/18, Gas welding and cutting appliances.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
