Part 2: Mathematical signs and symbols to be used in the natural sciences and technology

ICS 01.060

National foreword

This British Standard is the UK implementation of EN ISO 80000-2:2013. It supersedes BS ISO 80000-2:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SS/7, General metrology, quantities, units and symbols.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 January 2010
