

Geometrical product specifications (GPS) — Dimensional and geometrical tolerances for moulded parts —

Part 1: Vocabulary

The European Standard EN ISO 8062-1:2007 has the status of a
British Standard

ICS 01.040.17; 01.040.77; 17.040.10; 77.140.80

National foreword

This British Standard is the UK implementation of EN ISO 8062-1:2007. Together with BS EN ISO 8062-3:2007 and DD ISO TS 8062-2 (when published), it supersedes BS 6615:1996 (ISO 8062:1994). ISO/DTS 8062-2, *Dimensional and geometrical tolerances for moulded parts — Part 2: Rules* is currently in development and will complete the set of ISO 8062 documents when it is published as a Technical Specification.

The UK participation in its preparation was entrusted to Technical Committee TDW/4, Technical product realization (TPR).

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 October 2007
