

BS IEC 60512-1-101:2015

BSI Standards Publication

Connectors for electronic equipment — Tests and measurements

Part 1-101: Blank detail specification

National foreword

This British Standard is the UK implementation of IEC 60512-1-101:2015.

The UK participation in its preparation was entrusted to Technical Committee EPL/48, Electromechanical components and mechanical structures for electronic equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
