3D display devices

Part 13-1: Visual inspection methods for stereoscopic displays using glasses – Ghost image

National foreword

This British Standard is the UK implementation of IEC 62629-13-1:2017.

The UK participation in its preparation was entrusted to Technical Committee EPL/47, Semiconductors.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
