Laser display devices

Part 5-3: Measuring methods of image quality for laser projection display

National foreword

This British Standard is the UK implementation of IEC 62906-5-3:2021.

The UK participation in its preparation was entrusted to Technical Committee EPL/47, Semiconductors.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
