Laser display devices

Part 5-4: Optical measuring methods of colour speckle

National foreword

This British Standard is the UK implementation of IEC 62906-5-4:2018.

The UK participation in its preparation was entrusted to Technical Committee EPL/47, Semiconductors.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
