Touch and interactive displays

Part 12-10: Measurement methods of touch displays
- Touch and electrical performance

National foreword

This British Standard is the UK implementation of IEC 62908-12-10:2017.

The UK participation in its preparation was entrusted to Technical Committee EPL/47, Semiconductors.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
