Durability test methods for electronic displays

Part 3-5: Mechanical tests — Surface durability

National foreword

This British Standard is the UK implementation of IEC 63211-3-5:2020.

The UK participation in its preparation was entrusted to Technical Committee EPL/47, Semiconductors.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
