

# Agricultural grain driers — Determination of drying performance —

## Part 2: Additional procedures and crop-specific requirements

ICS 65.040.20;

# National foreword

This British Standard reproduces verbatim ISO 11520-2:2001 and implements it as the UK national standard.

The UK participation in its preparation was entrusted to Technical Committee AGE/23, Equipment for harvesting and conservation, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
