Graphic technology — Process control for the production of half-tone colour separations, proof and production prints

Part 2: Offset lithographic processes

National foreword

This British Standard is the UK implementation of ISO 12647-2:2013. It supersedes BS ISO 12647-2:2004 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PAI/43, Graphic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
